From

President

To

B. K. Venkataravada Iyengar Esquire

Offg: Secretary to the Government of His Highness
the Maharaja of Mysore Revenue & General
departments.

Sir,

With reference to the latter part of para 3 of Government Proceedings No. 4434-45 L.T. 3-04 dated 18th May 1904 regarding the increase under Mohatarfa proposed in the Sanitary Board Budget for 1904-05, I have the honor to state that the increase was owing to the number of houses & shops that have newly sprung up and are springing up at Robertsonpet and that under market fees was calculated upon the actual collection up to the end of March 04 and the probable collection of the remaining 3 months of the year 1903-04, which amounted to Rs 25,000/-. Flag Z.

2. As regards a lumpsum of Rs 4180/- provided on account of "Reserve for minor works under A. Public Works I Original, the amount is required for constructing

V. shaped drains and making other improve-
- ments in the Robertsonpet weekly market
for which a separate detailed estimate will
be submitted in due course for sanction.

3. A detailed list of works to be under-
- taken by the Sanitary Board for which
a lumpsum provision of Rs 5000/- has been
provided for minor works under B. Public
works is herewith submitted as called for.
This list is subject to revision according
to requirements later on.

4. The necessity for the increase in
purchasing oil for lamps from 1 Re to 1 1/2
per lamp per month as remarked in para
9 of the above proceedings, is due to the
purchase of a better quality of oil than
the inferior sort hitherto used.

5. A provision for 4 lamp lighters on
Rs 8/- each per month is made in the
Budget for 1904-05 instead of two on Rs 10/-
each made in the Budget for 1903-04, as
it was found impossible to cope with
the work with only two men on account
of the increase of lamps in Robertsonpet
and the surrounding villages on the mines

And the distance each one had to go about daily for lighting Lamps

6. Under these circumstances I beg that you will be so good as to authorize me to incur the expenditure already provided for in the Budget.

I have the honor to be
Sir
your most obedient servant
W. Rutherfurd
President
